

COMPETENCY TRAINING

- C01** Certificate of Safety & Health Officer (SHO)
- C02** Occupational Safety & Health Coordinator (OSH-C)
- C03** Ergonomic Trained Person (ETP) (Initial ERA)
- C04** Ergonomic Trained Person (ETP) (Advanced ERA)
- C05** Principal Designer (PD) OSHCIM
- C06** Train the Trainer (TTT) for PD OSHCIM

OSHCIM

Occupational Safety & Health In Construction (Management)

- OSHCIM01** OSHCIM Duty Holder: Client Appreciation
- OSHCIM02** OSHCIM Concept Awareness and Duty Holders' Roles and Responsibilities
- OSHCIM03** OSHCIM Concept Appreciation and Design Risk Management
- OSHCIM04** Principal Designers and Designers: Design
- OSHCIM05** Risk Management

OSH TRAINING

Safety & Health Committee Management

- OSH01** Empowering Safety & Health Committee
- OSH02** Risk Management – HIRARC and Safe Work Instruction
- OSH03** Emergency Response Management
- OSH04** Safety Performance Monitoring – Workplace Inspection & Safety Audits
- OSH05** Accident Investigation
- OSH06** Prevention Through Design (PtD)
- OSH07** Chemical Handling Safety

OSH TRAINING

Safety & Health Committee Management

- OSH08** Lifting Person In Charge (PIC) Training
- OSH09** Lifting Supervisor Training
- OSH10** Basic Rigging, Slings and Signalman
- OSH11** Lifting Gear Inspection Training
- OSH12** Site Mobile Crane Operator Safety Training
- OSH13** Overhead Crane Operator Safety Training
- OSH14** Working Safely at Height for Operator
- OSH15** Working Safely at Height for Supervisor

PROCESS SAFETY MANAGEMENT TRAINING

Entry Level Process Safety Management

- PSM01** Introduction to Process Safety
- PSM02** Risk Reduction Strategy for Process Equipment Safety
- PSM03** Process Hazard Analysis
- PSM04** Process Safety Management Best Practice
- PSM05** Human Factor in Process Safety Management

Operational Level Process Safety Management

- PSM06** Inherently Safer Design
- PSM07** Process Equipment Failure
- PSM08** Behavioral Based Safety (BBS)

PROCESS SAFETY IN PALM OIL INDUSTRY

- POI01** Process Safety Consideration in Palm Oil Industry
- POI02** Hazard Identification, Risk Assessment and Risk Control
- POI03** Process Safety Management for Operation and Maintenance

SPECIAL SHORT COURSE

- SSC01** Self-Regulation: Concept & Implementation Strategy
- SSC02** Emergency Response Management & ICS
- SSC03** Advanced HIRARC: Integration of HoC & PtD
- SSC04** ISO Management System
- SSC05** Operational Excellence
- SSC06** Principle of Prevention (PoP)

CONSULTANCY SERVICES

Occupational Safety & Health Consultancy

- CS01** Hazard Identification
- CS02** OSH Management System
- CS03** HIRARC
- CS04** Emergency Response Planning

Process Safety Consultancy

- CS05** Dust Hazard Analysis
- CS06** Quantitative Risk Assessment
- CS07** Emergency Response Plan for Chemical Facilities
- CS08** Major Hazard Safety Report (CIMA)
